CLINICAL ROTATIONS

Aug 2025 - Aug 2026

Pediatrics
Merrimack Valley Pediatric Associates - Chelmsford, MA

- Performed well-child and acute visits, developmental screening, immunization administration and counseling, and anticipatory guidance

Emergency Medicine
Keralty Hospital - Miami, FL

- Evaluated and assisted with stabilization of high-acuity patients with chest pain, dyspnea, trauma, abdominal pain, and sepsis; performed ultrasound-guided IV placement, urinary catheterization, wound care, and assisted with intubations and central venous catheter placement

Women's Health
Dr. Grossman - Andover, MA

- Performed obstetric and gynecologic evaluations including breast and pelvic exams and Pap smears, assisted with prenatal care, vaginal deliveries, cesarean sections, hysteroscopy with biopsy, and provided patient education on women's health

General Surgery
Brigham and Women's Faulkner Hospital - Jamaica Plain, MA

- Provided perioperative care, including pre-op assessments, first-assist intraoperative support, suturing, and post-op monitoring, while educating patients on recovery, pain management, and self-care

Inpatient Medicine
Lemuel Shattuck Hospital - Jamaica Plain, MA

- Evaluated and managed hospitalized patients, interpreted laboratory and imaging findings, performed procedures including suprapubic catheterization and PICC line removal, and developed and implemented treatment plans while participating in interdisciplinary rounds

CLINICAL ROTATIONS (CONTINUED)

Aug 2025 - Aug 2026

Family Medicine
Family Health Center of Worcester - Worcester, MA

- Conducted patient histories and focused physical examinations, participated in chronic disease management (HTN, DM, HLD) and acute care visits, and provided preventive care, including vaccinations and age-appropriate screenings

Mental Health
Arbour Hospital - Jamaica Plain, MA

- Conducted psychiatric assessments and patient interviews, participated in treatment planning and medication management, promoted coping strategies, and collaborated with physicians and social workers to provide holistic patient care

Primary Care
Beth Israel Deaconess Medical Center - Milton, MA

- Conducted patient-centered visits for acute and chronic conditions, provided lifestyle and wellness counseling, and developed individualized preventive care plans emphasizing long-term health

Dermatology
Tang and Associates - Wellesley, MA

- Evaluated and managed a broad range of dermatologic conditions, performed focused skin examinations, assisted with biopsies and excisions, and provided patient education on treatment and skin care

PROFESSIONAL EXPERIENCE

Brigham and Women's Hospital ENT Clinic - Boston, MA — **Jan 2023 - Aug 2024**
Medical Assistant

Obtained vitals, assisted with procedures including biopsies, nasal polypectomies, and vocal fold injections

Beth Israel Deaconess Medical Center - Boston, MA — **Jul 2021 - Nov 2023**
Patient Care Technician

Performed bladder scans, EKGs, and finger sticks, monitored vitals and assisted with ADLs on 30-bed cardiac unit
